Public Financing of Presidential Primary and General Election Candidates; Correction**AGENCY:** Federal Election Commission.**ACTION:** Technical Corrections to final rules.

SUMMARY: This document contains technical corrections to final rules published June 16, 1995 (60 FR 31854) regarding public financing of presidential primary and general election candidates.

EFFECTIVE DATE: August 16, 1995.

FOR FURTHER INFORMATION CONTACT: Ms. Susan E. Propper, Assistant General Counsel, 999 E Street, NW., Washington, DC 20463, (202) 219-3690 or (800) 424-9530.

SUPPLEMENTARY INFORMATION: On June 16, 1995, the Commission published final rules revising its regulations governing public financing of presidential primary and general election candidates. 60 FR 31854 (June 16, 1995). These regulations implement provisions of the Presidential Election Campaign Fund Act and the Presidential Primary Matching Payment Account Act.

Unfortunately, the June 16 final rule document contained a number of errors that could make the rules misleading and could cause problems when the rules are codified in the Code of Federal Regulations. Some of the errors reflect mistakes contained in the document submitted by the Commission to the Federal Register. Other errors occurred when the Federal Register typeset the document for publication.

Most of the errors are technical in nature. The Commission is publishing this document to correct these technical errors. These corrections are set out below. However, the June 16 final rule document also contains two errors of a more substantive nature that must be corrected. The Commission is publishing another document in today's edition of the Federal Register that corrects these errors. Readers interested in the Commission's public financing regulations should carefully review both notices.
